REQUEST LETTER

LITTLE WINGS
FOUNDATION

Dear Community,

Little Wings Foundation is a nonprofit organization dedicated to supporting children and families experiencing homelessness and housing instability. Little Wings Daycare is a core program operated by the Foundation, designed to provide safe, nurturing childcare while parents work, attend school, and participate in case management and workforce development.

As we prepare to launch our first Little Wings Daycare location, we are inviting select businesses and community leaders to join us as Founding Partners. Early partnerships directly support program development, licensing preparation, child-centered environments, and the essential infrastructure required to serve families with care and intention.

Founding Partners receive meaningful recognition while aligning with a mission rooted in dignity, stability, and long-term impact. Partnership benefits include brand visibility, community acknowledgment, and the opportunity to play a foundational role in the growth of Little Wings Daycare as a program of Little Wings Foundation. We would be honored to explore how this partnership aligns with your organization's values and community involvement goals. Thank you for your time, consideration, and commitment to strengthening families in our community.

With gratitude,

Jenna Quintana
