jenna@littlewings-foundation.org

Dear Community,

Little Wings Foundation is a nonprofit organization dedicated to supporting children and families experiencing homelessness and housing instability. Little Wings Daycare is a core program operated by the Foundation, designed to provide safe, nurturing childcare while parents work, attend school, and participate in case management and workforce development.

As we prepare to launch our first Little Wings Daycare location, we are inviting select businesses and community leaders to join us as Founding Partners. Early partnerships directly support program development, licensing preparation, child-centered environments, and the essential infrastructure required to serve families with care and intention.

Founding Partners receive meaningful recognition while aligning with a mission rooted in dignity, stability, and long-term impact. Partnership benefits include brand visibility, community acknowledgment, and the opportunity to play a foundational role in the growth of Little Wings Daycare as a program of Little Wings Foundation. We would be honored to explore how this partnership aligns with your organization's values and community involvement goals. Thank you for your time, consideration, and commitment to strengthening families in our community.

With gratitude,

Jenna Quintana

FOUNDER OF LITTLE WINGS

ABOUT US

About Little Wings Foundation

Little Wings Foundation is a nonprofit organization dedicated to supporting children and families experiencing homelessness, housing instability, and crisis. Our mission is to provide safe, nurturing, and accessible resources that empower families to move toward long-term stability.

Founded by Jenna Quintana, Little Wings was created from firsthand experience working directly with vulnerable families and witnessing the gaps in childcare, education, and transitional support. Too often, parents are forced to choose between caring for their children and pursuing work, education, or essential services.

Through our programs, including Little Wings Daycare, resource navigation, and community partnerships, we aim to remove barriers and create environments where children can feel safe, supported, and free to grow.

Corporate and community sponsors play a critical role in making this mission possible. Your support allows us to build sustainable programs, open physical locations, and serve families with consistency, dignity, and care.

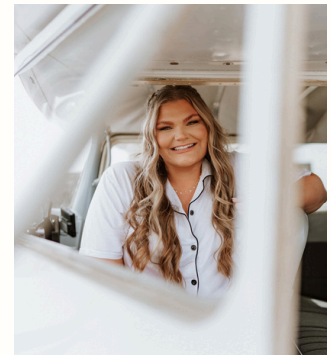

**CEO & Founder
Jenna Quintana**

Jenna founded Little Wings Foundation to expand access to trauma-informed childcare and support for families experiencing homelessness. She leads the organization's vision and operations while pursuing a Bachelor's degree in Nonprofit Management.

**Board President
Alessandra Sorci**

Alessandra serves as Board President of Little Wings Foundation, providing strategic leadership and governance oversight. She is committed to advancing family-centered advocacy and long-term community impact.

**Treasurer
Bailey Wilcox**

Bailey serves as Treasurer of Little Wings Foundation, overseeing financial stewardship and accountability. She ensures responsible management of resources to support the organization's mission and sustainability.

OUR MISSION

"Guided by grace and driven by love, Little Wings lifts families from hardship to hope.

We provide free daycare, nurturing care, educational play, and essential support so children can flourish and parents can rise.

With every meal served and every hug shared, we plant seeds of faith, healing, and new beginnings."

OUR VISION

"A world where every child has the chance to soar, every parent has the support to thrive, and every family finds hope, healing, and stability through love and community."

OUR PROCESS

STEP 1 — Referral & Enrollment

Families are referred through community partners or apply directly through Little Wings Foundation. During pre-enrollment, we gather basic information to understand each family's needs and readiness for participation.

STEP 2 — Supportive Participation

Parents commit to active employment, education, or workforce development while engaging in monthly case management and required life-skills programming. Families not yet enrolled in work or school receive individualized support to build a realistic pathway forward.

STEP 3 — Stability & Self-Sufficiency

Through safe childcare, consistent support, and resource navigation, families work toward long-term stability, independence, and improved outcomes for both parents and children.

How Our Program Works

STEP 1 — Intake & Assessment

Families are referred through trusted community partners or apply directly through Little Wings Foundation. During pre-enrollment, families complete an interest form that allows our team to understand their current situation, goals, and readiness for participation. This step ensures that each family receives support aligned with their needs while helping us maintain a safe and supportive environment for all children.

STEP 2 — Program Engagement

Once enrolled, parents or guardians actively participate in employment, education, or workforce development while engaging in required life-skills programming. These seminars may include employment readiness, financial literacy, parenting support, housing stability, and goal-setting. During this time, children receive safe, consistent, and trauma-informed care through Little Wings Daycare and partner programs, allowing parents to focus on building stability.

STEP 3 — Stability & Self-Sufficiency

Through ongoing case management, resource navigation, and individualized goal planning, families are supported in achieving long-term stability and self-sufficiency. Our model is designed to be supportive, not punitive, meeting families where they are, removing barriers, and empowering them with the tools and resources needed to create lasting change for both parents and children.

FOUNDING PARTNERSHIP LEVELS

LITTLE WINGS
FOUNDATION

Legacy Monarch Partner

*Premier legacy-level support
providing long-term impact in the
launch and foundational growth of
Little Wings Daycare.*

\$15,000

BENEFITS

- PARTNERSHIP BENEFITS
- Recognition as a Founding Partner of Little Wings Foundation
- Logo placement on both the Little Wings Foundation website and the Little Wings Daycare website
- Inclusion of business name, brief description, and direct website link on partner pages
- Social media acknowledgment and partner spotlight across Little Wings platforms
- Inclusion in select community, launch, and donor materials
- Direct investment in children and families working toward stability through Little Wings Daycare

Monarch Partner

*Foundational leadership support
sustaining the highest-impact
launch and program development
efforts.*

\$10,000
