

# FOUNDING SUPPORTER PLEDGE INITIATIVE

**LITTLE WINGS**  
FOUNDATION

## OVERVIEW

Little Wings Foundation is dedicated to supporting children and families experiencing homelessness and housing instability through programs rooted in care, stability, and long-term success.

Little Wings Daycare is a core program operated by Little Wings Foundation, designed to provide safe, nurturing childcare while parents work, attend school, and participate in case management and workforce development services.

As we prepare to open our first Little Wings Daycare location, we are inviting individuals and community members to participate as Founding Supporters through a financial pledge. These pledges allow the Foundation to responsibly plan, prepare, and build the infrastructure necessary to launch the program with excellence.

## ABOUT THIS PLEDGE

A Founding Supporter Pledge represents an individual commitment to support the early development and launch of Little Wings Daycare.

Unlike business partnerships, pledges do not include branding, marketing benefits, or promotional recognition. This option is designed for individuals who wish to support the mission in a personal and meaningful way.

Pledges may be:

- Fulfilled immediately, or
- Fulfilled upon confirmation of IRS 501(c)(3) status

## USE OF PLEDGED FUNDS

Founding Supporter pledges may be applied toward:

- Licensing preparation and regulatory requirements
- Child-centered classroom materials and supplies
- Safety equipment and facility planning
- Program development and family support resources

Pledges enable Little Wings Foundation to demonstrate community support and move forward responsibly during this foundational phase.
